
2020 International Conference on Advances in Electrical Engineering and Computer Applications (AEECA2020)

Invitation Letter

Organized by
Beijing University of Technology
International Association of Applied Science and Technology (IAAST)

To whom it may concern,

2020 International Conference on Advances in Electrical Engineering and Computer Applications (AEECA2020) is an annual conference that brings together researchers and scientists from electrical engineering and computer applications, researchers from various application areas to discuss problems and solutions in the area, to identify new issues, and to shape future directions for research. It is jointly organized by Beijing University of Technology and International Association of Applied Science and Technology (IAAST) and will be held during **August 25th-27th, 2020** in **Dalian, China**.

The congress provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

Herewith, on behalf of Organization Committee of AEECA2020, we are pleased to invite:

Name:

Organization:

to attend the conference and give an oral presentation.

We look forward to seeing you in Dalian, China!

Linda You
Conference Secretary of AEECA2020
